

# Year Eight Term Two

**If you could ask God anything  
what would it be?**

Explain to the Children that we are going to pretend God has given you the opportunity to ask him any question that you want about him, the bible, Christianity or religion.

Then explain that you will have ago at answering these questions and talking through them with the students.

Remember to:

- Be sensitive, no such thing as a stupid question.
- Try to get around the class, if lots of people have questions don't keep going back to the same person.
- The best answers will steer the conversation back to Jesus.
